

Isabel dos Santos (Profile)

Chairwoman of Sonangol

Africa's richest woman and daughter of long-serving former Angolan President José dos Santos, Isabel dos Santos is a hugely successful businesswoman. However, Isabel's success has been seriously tainted by frequent accusations of nepotism and corruption, and she has frequently been accused of using state funds to further her business interests.

Isabel dos Santos presents a textbook definition of a 'Politically Exposed Person'.

Publication Date: 6th October 2017
