

## Aleksandar Vulin (Profile)

### Defence Minister of Serbia

*After a decade outside politics, Aleksandar Vulin joined the current ruling political party SNS, and gained the trust of the powerful Serbian President, Aleksandar Vučić. Vulin had been linked to ultranationalist and former Communist circles close to Milosević, with a clear pro-Russian outlook. Given his low and mediocre political profile, Vulin has been a perfect loyalist for Vučić's most controversial duties. His low popularity exposes Vulin to Vučić political wills and calculations, while balancing Russian and Western influences in Serbia.*
