

Alan John Kyerematen (Profile)

Minister for Trade and Industry

A founding member of the New Patriotic Party (NPP), and one of the leading political figures in Ghana, Alan Kyerematen has extensive experience in global trade, having served as Minister for Trade and Industry under two separate governments. However, despite being recognised as a competent minister, Kyerematen has failed, on multiple occasions, to become the NPP's presidential candidate.

Publication Date: 2nd May 2018
